

---

At Bast Amron, we consider our team to be the most talented in their field from top to bottom. We staff each of our matters thoughtfully with the ultimate objective of achieving the client’s goal in the most effective and efficient manner. We pride ourselves on our exceptional client service and our unique level of responsiveness. We understand that the issues facing our clients are time-sensitive and may be critical to their business. Thus, we strive to ensure that our clients will always be able to reach someone knowledgeable about their issues. We invite you to access the biographical information about our team by selecting the options below. If you require any additional information about any of us, please ask us.
