Nelson Rosado is an Office Assistant at Bast Amron LLP with over 25 years of Experience in the Legal Field, first as a Document Specialist and then as a Technical Support Staff from E-Discovery Work to Computer and Media Work, Preparing Trial Exhibits, Recordings, Electronic Records and other Documents for the US Attorney Office when employed for International Legal Imprints and Benchmark Legal Solutions. He started working for the Law Firm of Tew Cardenas and then Greenberg Traurig LLP of Miami in their Office Services Department. Nelson has been with Bast Amron for ten years, demonstrating his dedication and reliability in maintaining smooth office operations. With a keen eye for detail and strong organizational skills, he ensures that daily tasks are completed efficiently, contributing to a productive work environment.

He completed post-secondary education in business Computer Applications, Psychology, and Social Work, as well as an Associate Degree and a Bachelor's Degree in Applied Science from Miami Dade College.

In his free time, Nelson enjoys reading a wide variety of books, from Science and Business to History or Social Science. He hopes to one day write books and fly an airplane.
